Summary:	I contacted Dengler to ask if licensee intends to continue to pursue license amendment as there has been no response to the deficiency letter dated Dec. 6, 2005. Mr. Dengler acknowledged that he had received the letter and was waiting on management response before replying. He stated that the doctor that requested to assume the role of RSO no longer wanted to pursue. Currently there is no RSO b/c the former RSO has left. Mr. Dengel stated the licensee is not seeing any patients b/c there is no RSO. I informed him of the regulations and that he could also use the guidance in NUREG 1556 Vol 9 Rev.1.
