SUBJECT	Control No.:	314866
License No.:13-32398-01		

SUMMARY

As I have not received a response to this request to-date, originally transmitted to you on November 18, 2005, and as you have not responded to the message I left with a woman staffer at your firm at 2:45 pm, central time, on December 9, 2005, (I was told you were unavailable), I have voided your request for termination of the NRC license at this time, on December 14, 2005.

If you wish to request termination of this license again in the future, please reference your previous correspondence under Control No. 314866 and provide the additional information below. We will then continue our review.

"We have reviewed your Form NRC 314 dated September 20, 2005, and your fax dated October 17, 2005, requesting termination of your byproduct materials license and find that we need additional information as follows:

Please provide a copy of the most recent leak test for each of the last sealed sources you possessed for the Troxler 3440 gauging device.

We will be unable to continue processing your request until we receive this information.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

ACTION REQUIRED

Submit the requested information within 15 calendar days (by December 6, 2005) by referencing control number 314866 to facilitate proper handling. If we do not receive an adequate response by this date, we may VOID the current action without contacting you again. This will be done without prejudice to the resubmission of your request at a later date. Upon receipt of your response we will resume our review. Address your written response to my attention at the above address.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE)

UNTIL YOU REACTIVATE IT VIA SUBMISSION OF A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT (630) 829-9841 or (800) 522-3025.
