Ms. Burleigh,

As we discussed by phone today, I will need a letter of attestation signed by your current Radiation Safety Officer (Valerie A. Brookeman, Ph.D., MD) stating the the newly designated RSO (Karen L. Killeen, MD) has completed the requirements in paragraph (e) of 10 CFR 35.50, "Training for Radiation Safety Officer". If Dr. Killeen has previously served as RSO on a similar NRC or Agreement State license within the last seven years, you may choose to provide that information as proof of training.

Please fax the letter to my attention as soon as possible at 610-337-5269.

Sincerely,
