Subject: Detroit Edison Comments on "Fitness for Duty Programs;  
Proposed Rule" - RIN 3150-AF12

Detroit Edison, owner and operator of Fermi 2 Nuclear Power Plant, endorses the specific comments provided by the Nuclear Energy Institute (NEI) and the associated recommendations on the proposed rule discussed in the referenced Federal Register notice. Detroit Edison appreciates the efforts by NRC staff to develop clearly defined requirements for Fitness for Duty programs and the opportunity to provide comments prior to final issuance.
