Subject: Quarterly Report for Generally Licensed Material

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: The NRC was notified by a letter dated December 13, 2005 from James Michael Ewan of the Illinois Emergency Management Agency that the 3<sup>rd</sup> quarter report for the distribution of generally licensed material has not been received by the state of Illinois. The NRC records also show that the 3<sup>rd</sup> quarter report had not been received.

Mr. Keosian said that he believed they had a problem with a new database system and did not detect that the report wasn't issued. He would review the problem and call me back with an update.

January 5, 2006 9:34 AM, Mr. Keosian left me a voice message that they have provided the needed information to Steve Norris today. Mr. Norris will be completing the report today and have the report sent Federal Express by the end of the day.

Action Required: Place phone log into records.

Dear Mr. Norris:

The Illinois Emergency Management Agency is missing a quarterly transfer report from Smiths Detection - Warren. The report would cover transfer of generally licensed devices to customers in Illinois in the third quarter of 2005.

We would be grateful if you would furnish a transfer report for the calendar quarter identified above.

The Illinois Emergency Management Agency hereby requests a transfer report from Smiths Detection - Warren every calendar quarter. *We request a report whether or not you transferred a generally licensed product to an Illinois customer in the quarter covered by the report.*

We appreciate your cooperation in keeping the Illinois Emergency Management Agency informed of the status of generally licensed radioactive material in Illinois. Please call me at 217-785-9917 if you have questions.

Sincerely,

James Michael Ewan
