Docket No. 030-36846

Nolan E. Hertel  
Director, Neely Nuclear Research Center  
Georgia Institute of Technology  
900 Atlantic Drive  
Atlanta, GA 30332-0425

**SUBJECT: GEORGIA INSTITUTE OF TECHNOLOGY ACCEPTANCE OF REQUEST FOR  
REMOVAL FROM THE SECURITY ORDER ISSUED JUNE 6, 2003**

Dear Dr. Hertel:

This letter is in reference to a letter sent by you to the NRC dated December 27, 2005. The December 27, 2005, letter informs the NRC that the Georgia Institute of Technology (Georgia Tech) no longer possesses radioactive material requiring compliance with the June 6, 2003, Order, and that all Safeguards Information - Modified has been accounted for and has been destroyed as required.

This letter is confirmation that the NRC has removed Georgia Tech from the Security Order issued June 6, 2003, and from the list of licensees which must comply with the Security Order.

If you have any question regarding this letter please contact Judith Joustra at 610-337-5355.

Thank you for your cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Kinneman".

John D. Kinneman, Chief  
Materials Security and Industrial Branch  
Division of Nuclear Materials Safety
