Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	RAI concerning renewal dated 8/1/05	
Summary:	<p>In the letter dated 11/28/05, the Tomayko Group stated that they had full responsibility over each base site, in order to ensure compliance with all applicable regulatory requirements. I questioned whether that meant that TTG had a lease for each of those sites. According to Mr. Ashton, TTG leases all of the base sites. However, Mr. Ashton did state that the Buchanan, WV site that was requested to be added to the license did not currently have a lease. I stated that I could not add that location as a base site and that TTG would have to use that location as a client site until a lease could be obtained. The Buchanan, WV location may be added in a later amendment if they wanted.</p>	
Action Required:	Complete the renewal
