Dear Mr. Diaz ;

My name is Teresa Caldwell and I'm asking for your help and protection.

I'm writing to you today to STRONGLY urge you to insist upon an INDEPENDENT safety evaluation at the VT. Yankee Nuclear Power Plant before any decision is made concerning Entergy's request for a 20 % uprate!

I'm a life long resident of Shelburne, MA. (5 miles outside the emergency evacuation zone.)

I'm extremely opposed to this plant receiving permission for a 20% uprate or a 20 year extension of it's operating license.

I consider this nuclear plant a clear and present danger to my physical and financial health.

Please protect me and my community by

saying NO to Entergy's request.

Thank You

Sincerely,

Teresa Caldwell
