Dear Judith Walker,

This letter is regarding the decommissioning of Carroll College materials license 25-07093-01.

Enclosed is the confirmation of radioactive material transfer from Barbara Walton of the State of California Governor's Office of Emergency Services. I apologize for the delay but Mrs. Walton has been away from California working on the hurricane Katrina recovery.

I appreciate your time and consideration in these matters.

Sincerely,

A handwritten signature in black ink, appearing to read "Sam Alvey".
