Terry,

I'm glad to hear you are making some progress in resolving the issues regarding the financial assurance documentation associated with the submittal of your surety bond. As you prepare to finalize your response to me be sure to refer to my letter to Pratt & Whitney (addressed to Kevin Doyle) dated **June 29, 2005**. The six items detailed in this letter need to be fully resolved before this action can be closed. Contact me if you have any questions as you prepare your response. I look forward to receiving your response no later than January 31, 2006.

Regards,
