Subject: Conduct of Operations questions

Hi Nancy,

Here are Paul Bell's draft comments and questions to be discussed during the site visit next week. If any of them are unclear, feel free to call me or Paul (301-415-893) directly today or tomorrow. Monday is a holiday for us feds, and we'll be airborne on Tuesday morning.

This email with these draft comments and questions will be placed in ADAMS and will be publicly available. After the site visit, any comments and questions that are not resolved during the site visit, or to which Westinghouse needs to provide written responses, will be sent formally.

I hope these are useful in preparing for next week's visit.

Thanks,
Mary
