Subject: Programmatic review of Poster

Dear Ms. DeMarco:

The enclosed poster was revised per NRC comments prior to being presented at the 2005 Geological Society of America Annual Meeting held October 16–19, 2005, in Salt Lake City, Utah. The information conveyed in this poster was previously accepted by NRC, in the form of a journal manuscript, as Intermediate Milestone 06002.01.262.520. The title of the poster is:

“Deformation Analysis of Tuffaceous Sediments in the Volcanic Tableland Near Bishop, California” by R.N. McGinnis, A. Morris, D.A. Ferrill, and C.L. Dinwiddie

This final version of the poster is being transmitted so it can be entered in ADAMS and does not require an additional review.

Sincerely,

Gordon Wittmeyer, Ph.D.
Assistant Director, Earth Sciences
