

**Software Release Notice  
Acquired Software**

1. Software Name: EarthVision	Software Version: 5.1
----------------------------------	--------------------------

2. Software Function:  
3D visualization of geospatial data

3. Summary of Actions:  
 New Software       Update to Existing Software       Software Retirement

**4. Software Installation**

4a. Computer Platform(s): SGI/UNIX      4b. Operating System(s): IRIX 6.5  
4c. Programming Language(s): None (executable only)

4d. Installation Testing:  
 Passed      Performed by: \_\_\_\_\_      Testing Performed On: \_\_\_\_\_  
Description of Testing Performed:

4e. Archive Copy:  
 Enclosed       Not Available, Why:

Installation Performed by:	Date:
----------------------------	-------

Remarks:

**5. Software Assessment**

Validation Status:  
 Full Validation       Limited Validation      Date of Validation:  
 Not Validated, Explain:

Software User: Shannon Colton	Date: 12/12/2005
----------------------------------	---------------------

Remarks: Superceded by EarthVision 7.5

**6. Approval**

Manager: John Stamatakos 	Date: 12/13/05
---	-------------------

Remarks:

**7. QA Verification**

SRN Number: *NA*

	Date: 12/16/05
---	-------------------

Remarks:
