VOID SHEET

TO: License Fee and Accounts Receivable Branch

FROM: Region IV, DNMS, NMLB

SUBJECT: VOIDED Amendment

Applicant: Gila River Indian Community

License No.: 02-27614-01

Control No.: 470740

Docket No.: 030-34902

Reason for Void: Several futile attempts had been made to contact the proposed RSO to obtain a copy of the required training certificates to support qualification as an RSO. Today, 1/17/06, I spoke with Mr. Charley Johnson, Chief Construction Engineer, who stated that the respective RSO had been laid off, as the construction division was being dissolved. Therefore, the request for the proposed RSO is being voided, since he is no longer with the company. The NRC Branch Chief will determine how to handle the license through another means beyond this license amendment.
