Dear Mr. Kossak:

I have reviewed all of the available information concerning the removal of the contaminated sludge from the Sludge Ash Lagoon and discussed it in detail with my fellow Supervisors. On behalf of the Board of Supervisors, I stress that Parks Township, under no conditions, is interested in having that sludge moved to the SLDA site in Kiskimere. It is our position that this is not a viable option and it is certainly one that will have strong opposition from most every citizen of Parks Township.

Sincerely,

Franklin L. Shannon
Chairman
