Attn. George Parker
Subject License 22-25878-01 Doc. 030-30410

Dear George:

Per our conversation during your visit on 11/14/05, I would like to provide you with the following information per your request. This is to inform the Commission of the following:

Mr. Kevin Foster will serve as our interim Nuclear Regulatory Duty officer and Curt Graves will serve as the alternate officer, until which time I am trained to assume the duty as Nuclear Officer for this license. Included are copies of both these gentlemen's certifications.

During your visit and per our conversation with Bill Miller, he has agreed to take on these responsibilities.

Please contact me should you have any questions.

Sincerely,

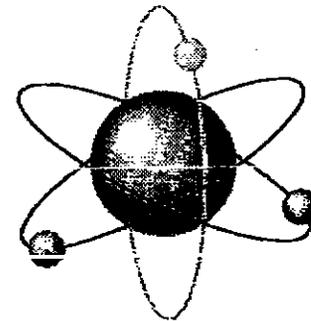

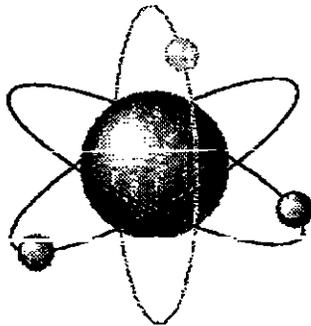

Robert L. Nicely
Safety Manager

Certificate of Completion

Issued to Kevin Foster
for successful completion of a 4.5 hour
Radiation Safety Training Course for
Portable Gauge Users on April 17, 1998.

Topics covered included radiation
fundamentals, types of radiation, health
effects, leak testing procedure, principles
of gauge usage, regulatory requirements,
calculations, and transportation
regulations.
