Subject: Additional Info, License Renewal for Capital Health System

(NOTE: This will be used as the Documents Title in ADAMS)

Summary: Spoke with Ms. Bryant regarding the licensee name as listed on the license. She stated that the name, Capital Health System at Mercer, as currently listed on the license accurately reflected the license prior to combining the Capital Health System at Fuld Campus license with the Mercer campus license which was approved by the agency on March 29, 2005. At that time, the description portion of the license name (at Mercer) should have been removed. Ms. Bryant confirmed that there was no change in ownership.

Ms. Bryant also confirmed that Dr. Choudhri is correctly spelled as it is currently listed on the license, and that the spelling as listed in the application contains a typographical error, and should be disregarded. Ms. Bryant confirmed that Dr. Bindukumarc Kansupada is correctly spelled as it is currently listed on license 37-28453-02, and that the omission of kumarc in the application was an error.

Confirmed with Ms. Bryant the current manufacturer and model names as listed in the SSSR for the Cs-137 sources in their possession. Informed Ms. Bryant that the current manufacturer and model names would be listed on the license.

Action Required: Remove 'at Mercer' from the licensee name as this license for Capital Health System covers both the Mercer and the Fuld Campuses. Renewed license will include corrections to Doctor and source names as listed above.
