<p>Name of Licensee: Bon Secours St. Francis Medical Center</p> <p>Name of Participant(s): Dean Broga, PhD, Consulting Physicist</p> <p>Telephone No. 804-828-5877</p> <p>Subject: Training Requirements for New RSO <small>(NOTE: This will be used as the Documents Title in ADAMS)</small></p>		
<p>Summary: Dr. Broga phoned me in response to my e-mail to Mary Burleigh on 01/09/06 requesting a letter of attestation from the current RSO (Dr. Brookeman) stating that the proposed RSO (Dr. Killeen) has completed the requirements in paragraph (e) of 10 CFR 35.50. He stated that their amendment request should be reviewed under the old Subpart J requirements since it was dated prior to the expiration of Subpart J. After consultation with the Branch Chief (PJH), it was determined that their request could be reviewed under the old Subpart J requirements and the letter of attestation previously described would not be needed. I phoned Dr. Broga and informed him of the decision. I also sent Ms. Burleigh an e-mail outlining the decision not to require the letter of attestation.</p>		
<p>Action Required: Proceed with amendment request.</p>
