Dear Mr. Kalisz:

This acknowledges receipt of your December 30, 2005, letter providing a written report in accordance with 10 CFR 20.2201 regarding the loss of a portable moisture density gauge containing NRC-licensed material that occurred on December 22, 2005. The report indicated that the loss occurred when an employee's vehicle, where the gauge was stored, was repossessed by a bank. Your report also indicated the gauge was recovered on December 23, 2005.

We have reviewed your written report and have no further questions at this time. The loss and subsequent recovery of the gauge will be examined during a future inspection.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.
