This letter responds to your November 9, 2005 e-mail message transmitting the NRC's Environmental Assessment for the release of several buildings at the Defense Logistics Agency, Defense National Stockpile Center (DLA/DNSC) located in Scotia, New York. After reviewing the EA and the Final Status Survey Report, we have no additional comments or questions.

The New York State Department of Environmental Conservation, Radiation Section, agrees with the conclusions of the NRC's Environmental Assessment for the DLA/DNSC.

If you have any questions, please contact John Frisone of this office at 518-402-8579. Thank you for the opportunity to review this document.

Sincerely,

Barbara Youngberg
