Dear Ms. Modes:

As a supplement to our earlier letter identifying Mr. Charles Brehm as Michael Baker Jr., Inc.'s new Radiation Safety Officer (RSO), I am following up on your request to provide copies of Mr. Brehm's RSO training record (see attached fax). In addition to having taken the training classes, Mr. Brehm also is a Certified Industrial Hygienist (CIH) and has an M.S. in Industrial Hygiene.

I function as Mr. Brehm's direct supervisor as the manager of a group of senior project managers in the Environmental Compliance Department within our Environmental Sciences Group.

If you have any questions, or require additional information, please contact me at 412-269-6024 or via e-mail at jlaskey@mbakercorp.com.

Sincerely,

MICHAEL BAKER JR., INC.
