Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Failure to submit renewal application.	
Summary:	I spoke with Mr. Williams and informed him that this was a courtesy call since an application for the renewal of the company's license had not been received. Mr. Williams stated that he had not received a notice from the NRC concerning the need to renew the company's license. I told him that the notices came out of NRC Headquarters and probably had been discontinued as a cost saving measure. I directed Mr. Williams to the NRC Website for NUREG-1556, Vol. 1, Rev. 1 and told him that the application had to be in our hands by January 31, 2006, or the license would expire.
