Summary:	<p>I left a message with the receptionist for the Radiation Safety Officer to contact me regarding the renewal of the license.</p> <p>14:45 Mr. Cereski indicated that John Hebert is the RSO and the owner of the company. The fact that his license is lapsing probably slipped his mind. I referred Mr. Cereski to NUREG-1556, Vol. 1, Rev. 1 for information that is required to be submitted during the renewal process. I provided the NRC Region I address and fax number. I also informed Mr. Cereski that the renewal process would not require a check, however, if the license was allowed to lapse, a fee would be assessed. Mr. Cereski stated that he would inform Mr. Hebert and see that the information was sent in a timely manner.</p>
