Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	RAI concerning amendment request dated 12/19/05
Summary:	<p>In the request dated 12/19/05, York Hospital requested the addition of Dr. David Salinger to the license for 35.300 and I-125 manual brachytherapy. An ADAMS reviewed revealed that Dr. Salinger has been listed on Gettysburg's and Pinnacle Health's licenses for 35.300 uses. A review of the Gettysburg docket file revealed that Dr. Salinger was initially added to the license based on his ABR certificate and a NY license listing him as an AU for 35.300 uses.</p> <p>I spoke to Ms. Gresick-Shugsta to request that she check with Dr. Salinger to see if he has been listed on any other license for I-125 brachytherapy. According to Dr. Salinger he was listed on Hershey Medical Center's broad scope license. Ms. Gresick-Shugsta will obtain a copy of the broad scope permit and forward it ASAP.</p>
