The following information is needed in support of your amendment request regarding release of the MRI Building for unrestricted use:

1. Please provide a copy of the sampling data used to document survey results and conclusions.
2. Please describe areas where animal studies were conducted requiring the administration of byproduct material. If applicable, provide survey results for those areas.
3. Your report did not indicate that the sink drain in Lab M153 was surveyed and wipe tested for fixed and removable contamination, along with the other three labs where byproduct material was used or stored. Please provide data to confirm that the sink drain in Lab M153 was surveyed for fixed and removable contamination.
4. Please provide the square footage for the MRI Building and describe zoning for the surrounding area (e.g. commercial, industrial, residential).

Please note that you may not reply to this letter by return e-mail. Your reply must be in writing by letter or facsimile (610-337-5269). If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your amendment request.
