As the Licensing Board noted in its January 11, 2006 memorandum and order, the Board will hold a conference call with applicant Louisiana Energy Services, L.P., (LES) and the NRC staff on Wednesday, January 25, 2006, beginning at 9:30 a.m. Eastern Time. This conference will provide an opportunity for a dialogue between the Board, LES, and the staff regarding any questions or concerns the parties may have relative to the subject matter focus of the mandatory hearing, and for the Board to provide LES and the staff with additional guidance regarding certain issues upon which the Board intends to focus its inquiry during the mandatory hearing.

This conference will be transcribed by a court reporter. LES should contact the court reporter, Neal R. Gross & Co., 202-234-4433, to arrange for the number of copies of the transcript it requires.

Please access the conference a few minutes before 9:30 ET so we may begin promptly at 9:30. The bridge number is 800-638-8081, pass code 7276. LES and the staff should advise me by e-mail by noon tomorrow (1/24/06) regarding the number of different lines they will need for the teleconference.
