**Subject:** 3150-RIN AH74

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Hi,

I read about the proposal for the requirement to submit documentation electronically in January Nuclear News and FULLY support it. Heck, I thought it already was required. Have not worked in commercial nuclear power recently but used to be the NRC Point of Contact at Connecticut Yankee and was involved in a LOT of NRC correspondence.

This is a very appropriate proposal, well done! I hope it goes through :-)
