Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Surveys of facilities													
Summary:	<p>The licensee requested change in the address of storage of its gauge, but did not provide surveys of the facility. I called the licensee to discuss the missing information.</p> <p>Mr. Hunnewell stated that they possess only one Troxler gauge and that the periodic leak tests have not indicated any leakage of radioactivity while the gauge has been in their possession. I requested that he send a written response. He promised to fax a letter soon confirming that there was no leakage from the gauge while it was stored at the previous location.</p>
