Mr. Loren J. Hueter:

Upon packing by the Los Alamos source recovery team and after receiving instructions from *Jim Matzke and John Ballard of NMMSS*, we *shipped our Pu-Be neutron source* yesterday, January 30, 2006, to NSSI in Houston.

Since the Pu-Be neutron source was the only source covered by our License No. SNM-806, Docket No. 070-00871, I now request your assistance in terminating this license.

Thank you in advance for your help in this matter.

Very truly yours,

Charles D. Geilker, R.S.O.
