RE: page 1774 Federal Register / Vol. 71, No. 7 / Wednesday, January 11, 2006

I am a resident of Brattleboro, VT, and I adamantly oppose the operation of VT Yankee at its current capacity. It is a tremendous threat to the safety of all citizens of VT and surrounding cities & states.

The thought of raising the output is ludicrous – especially considering the age of the plant.

The need to thoroughly inspect is real and long overdue!

Sincerely,

*Wendy Barnard*
