1. Please resubmit the January 18, 2006, letter requesting an amendment to your license on Northern Montana Hospital's letterhead.
2. Representatives of the licensee (corporation or legal entity) should date and sign letters requesting amendments or NRC Form 313. These representatives must be authorized to make binding commitments and to sign official documents on behalf of the licensee. An application or letter requesting a licensing action for a medical facility must be signed by the licensee's management. The individual who signs the application or letter should be identified by title of the office held. Please note that signing the application or letter acknowledges management's commitment and responsibilities for the radiation protection program. Management includes the chief executive officer or other individual having the authority to manage, direct, or administer the licensee's activities, or those persons' delegate or delegates.

Please resubmit the January 18, 2006, letter requesting an amendment to the license signed and dated by a management representative authorized to make binding commitments and to sign official documents on behalf of the licensee.

3. Please submit a completed NRC Form 313A (<http://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a.pdf>) documenting the training for Dr. Bart Hovey as specified in 10 CFR 35.190, 35.290, or 35.392, as appropriate.
