Dear Jim:

Responding to your letter dated January 13, 2006, enclosed is a copy of the pages from the computer output files that support the modeling reported upon in the November 24, 2004 expert report. These pages reproduce the output file materials that appear in the file of IEER, indicating that they were previously distributed with that report. Should you have any questions, please let me know.

Very truly yours,

Lindsay A. Lovejoy, Jr.
