RE: PHYSICIAN NAME CHANGE—LICENSE NO. 06-30548-01

Dear Mr. Thompson,

Future correspondence should be addressed to **Dr. Saqib Naseer, Medical Director** instead of “Stephen T. Sinatra, M.D., President”. In November, 2004 Dr. Saqib Naseer and Dr. Sun King Wan assumed the practice. Dr. Sinatra is no longer a part of the practice. The practice name used in correspondence “New England Cardiology Associates, P.C.” is correct.

Please make the appropriate change in your system. If further information is required, please contact me at (860) 643-5101.

Sincerely,

Caron Maker
Practice Manager
