Dear Ms. Vietti-Cook:

I have been informed by Public Citizen that you are accepting public comments on a petition for rulemaking regarding license extensions. I support Westchester County Executive Andrew Spano's Petition for Rulemaking PRM-54-02. I am concerned that the current relicensing regulations are not in the best interest of the public - and our health and safety. Please help protect the public by ensuring that nuclear plants continue to meet the highest standards that are based on the most current experience and knowledge.
