MEMORANDUM FOR: NRC ISS Negotiating Team

FROM:

Chip Cameron, OGC

*Chip Cameron*

SUBJECT:

LSS ADMINISTRATOR

The EDO has requested that the negotiating team develop a recommendation on which organization within NRC should serve as the LSS Administrator. I have scheduled a meeting for Wednesday, September 14, 1988, at 2 p.m., Room 14-B-11 White Flint, to begin our discussion on this issue. I would suggest that our initial discussion should focus on the criteria for selection of the LSS Administrator. We would then use this criteria to develop our recommendation at a second meeting to be held the week of September 19th. Our recommendation will be submitted to the EDO on or before September 26, 1988. In preparation for our first meeting, I will circulate a "strawman" draft of selection criteria for your consideration.

Thank you.
