**SUBJECT: REPLY TO A NOTICE OF VIOLATION**

Gentlemen:

Enclosed is Combustion Engineering's reply to the Notice of Violation dated May 17, 1996, concerning NRC Inspection Report No. 070-00036/96002(DNMS). In addition to the training given to employees who perform escort activities, an audit was conducted of the security program by a security specialist consultant. Recommendations resulting from this audit are being evaluated for feasibility of implementation.

The enclosed reply to the Notice of Violation is marked as containing 10 CFR 2.790(d) information since it pertains to our physical protection program. Under provisions of Section 2.790(d) of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, reports containing information related to a licensee's physical protection program are exempt from public disclosure.

We will be glad to discuss any questions you have concerning our response. If you have any questions or need further information, please contact me or Mr. Hal Eskridge of my staff at (314) 937-4691.

Cordially yours,

COMBUSTION ENGINEERING, INC.
