Dear Mr. Martinez,

On January 23, 2006, you and Professional NDE & Welding Services, Inc. (Professional NDE) were served with a complaint from the U.S. Nuclear Regulatory Commission (NRC) pursuant to the NRC's regulations at 10 C.F.R. § 13.7 and provisions of 31 U.S.C. §§ 3801-3812, the Program Fraud Civil Remedies Act (PFCRA). The complaint alleged PFCRA violations for making false statements on NRC Form 526 for FY 2001 - FY 2005.

You discussed the complaint with NRC attorneys through a Spanish translator, and agreed to close the PFCRA action by remitting the \$15,000 sought in the complaint. This amount covers both the amount of underpaid annual fees for Professional NDE's materials license, as well as penalties under PFCRA for making false statements.

We have received your check for \$15,000, and have also received the original signed copies of correctly completed NRC Form 526 for FY 2001 - FY 2005. Therefore, the PFCRA case against you and Professional NDE is now considered closed. A copy of this letter and the original complaint will be placed on the docket for License No. 52-25538-01.

Sincerely,

/RA/
