Subject: Renewal for USA/9269/B(U)-96 for Addition of Se-75 as Authorized Contents for the Model 650L Transport Package

Dear Mr. Nelson:

QSA Global Inc. wishes to clarify that the renewal request we submitted for your review on 31 October 2005 also includes the addition of Se-75 to the authorized contents as special form capsules up to a maximum activity of 300 Ci. The supportive documentation and justification for this Se-75 request is contained in the SAR submitted with our 31 October 2005 application for this transport package.

Should you have any additional questions or wish to discuss this submission prior to our response, please contact me as shown below.

Sincerely,

Lori Podolak
