## RENEWAL--LIMITED REVIEW CHECKLIST

(continued)

Major program changes, new high risk technology programs, and changes in control/ownership normally require only a focused review of the specific changes. If these changes are so extensive that a Comprehensive Review of the entire application is needed, obtain Branch Chief approval before proceeding. Each of the following three items must be marked with NA or a check and the change briefly identified.

N/A                      *Major program change conforms with applicable regulations and NUREG-1556 guidance.*

N/A                      *New high risk technology program conforms with regulations for similar technologies, guidance provided for similar technologies in NUREG-1556 guidance, and specific licensing conditions for the new technology.*

N/A                      *Change in Control (Ownership) conforms with applicable regulations and NUREG-1556 guidance. NOTE: Financial assurance documents can be affected by change of ownership.*

✓                              A brief overview of the remainder of the application found that the major areas discussed in the guidance on the contents of the application from the appropriate NUREG-1556 series are present.

N/A                      An obvious failure or a deficiency in a significant area resulted in a thorough review of that area. Document below.

N/A                      Additional information was requested and an adequate response was received.

N/A                      A Comprehensive Review was conducted, and the reason for changing from a Limited Review to a Comprehensive Review is documented on the "Performance and Limited Review Check List."

**Area(s) of Focused or Thorough Review:**

The application and license records were reviewed against the following criteria to determine if a reduced license term is appropriate:

Criteria	YES	NO	Explanation
New high risk technology without extensive use or regulation experience by industry, or licensee, or NRC;	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Enforcement History - Severity Level I, II, or III violation due to serious programmatic deficiencies and not singular events, in preceding 3 years;	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Inspection history: 11/18/2003 - No violations 09/24/1999 - No violations
Possession-Only (Permanent Shutdown) - License authorizes no activities other than possession and storage of licensed material (2-year term);	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Renewal received a Comprehensive Review;	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Other, specify:	<input type="checkbox"/>	<input type="checkbox"/>	

If any of the above items are checked "YES", describe the basis above, determine the license term (usually 5 years) and document the determination below. All exceptions must be approved by a supervisor and a copy of that documentation attached to this checklist for placement in the docket.

Assigned License Term: 10 years
