Charleston, WV 25537-3739

SUBJECT: JASHVANTLAL K. THAKKER, M.D., ACCEPTANCE OF NOTIFICATION,
AMENDMENT NOT NEEDED, CONTROL NO. 138263

Dear Dr. Thakker:

10 CFR 35.13(e) states, in part, that a licensee shall apply and must receive a license amendment before it adds to or changes the areas of use identified on the license, **except for areas of use where byproduct material is used only in accordance with either 35.100 or 35.200**. Although an amendment is not needed, 10 CFR 35.14(b)(4) requires that you notify the NRC of such changes.

In accordance with 10 CFR 35.14(b)(4), your letter received January 19, 2006 is accepted as notification that you have added to or changed the areas of use identified on your license where byproduct materials are used in accordance with either 35.100 or 35.200.

Your cooperation is appreciated.

Sincerely,

Original signed by Stephen Hammann
