Re: Page 1774 Federal Register/Vol. 71, No. 71/ January 11, 2006

I beg you to **insist on an Independent Safety Assessment** before granting a 20% uprate to the VT Yankee power plant in Vernon, VT. I live about 16 miles from this nuclear plant, and I feel extremely concerned about my safety and the health of my entire community.

Please help us **ensure the plant is completely safe** and capable of withstanding a large increase in its use. I beg you.

Sincerely,
