Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Change of name and/or ownership	
Summary:	<p>I spoke with Ms. Kane about the request to change the name on the license. I informed her that we had information that the licensee was a partnership and that the partnership was being dissolved. This constituted a change of ownership and any transfers of assets would need to be described. Ms. Kane stated that she would have Dr. Saporito get back in touch with me since Michael Kesselbrenner, M.D. and Alan Simon, M.D. were not available.</p> <p>Dr. Saporito returned my call about 15:00. I reiterated the information provided to Ms. Kane. Dr. Saporito informed me that there has been no change in ownership regarding Garden State Cardiology but the break-up of the partnership that was Bergen Diagnostic Management Nuclear was correct. The courts had yet to decide if any assets were to be transferred between the parties involved. Dr. Saporito stated that he would have a letter faxed to me with the information.</p>
