**RE:** Freedom of Information Act (FOIA) Request  
Tritium Contamination from the Braidwood Generating Station  
Environmental Site Assessment

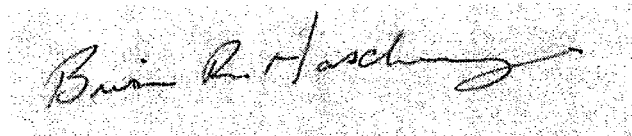

**Site Location:** 1,500 +/- Acres of Agricultural Land  
Southwest Corner of Lorenzo Road and I-55  
Will County, Illinois

Dear FOIA Representative:

This letter is sent to request any information available on active or inactive permits, inspections, monitoring well data, site assessments field notes or violation notices in connection with the above-referenced facility, pursuant to the Illinois Freedom of Information Act ("Act") (5 ILCS 140/3), including any and all information deemed of public record, and not otherwise exempt from disclosure under the above-referenced statute. In accordance with Section 8 of the Act (5 ILCS 140/8), PSI requests that any public record which contains material that is not exempt, be produced with exempt materials only deleted.

Should you require any further information regarding this request, please do not hesitate to contact me.

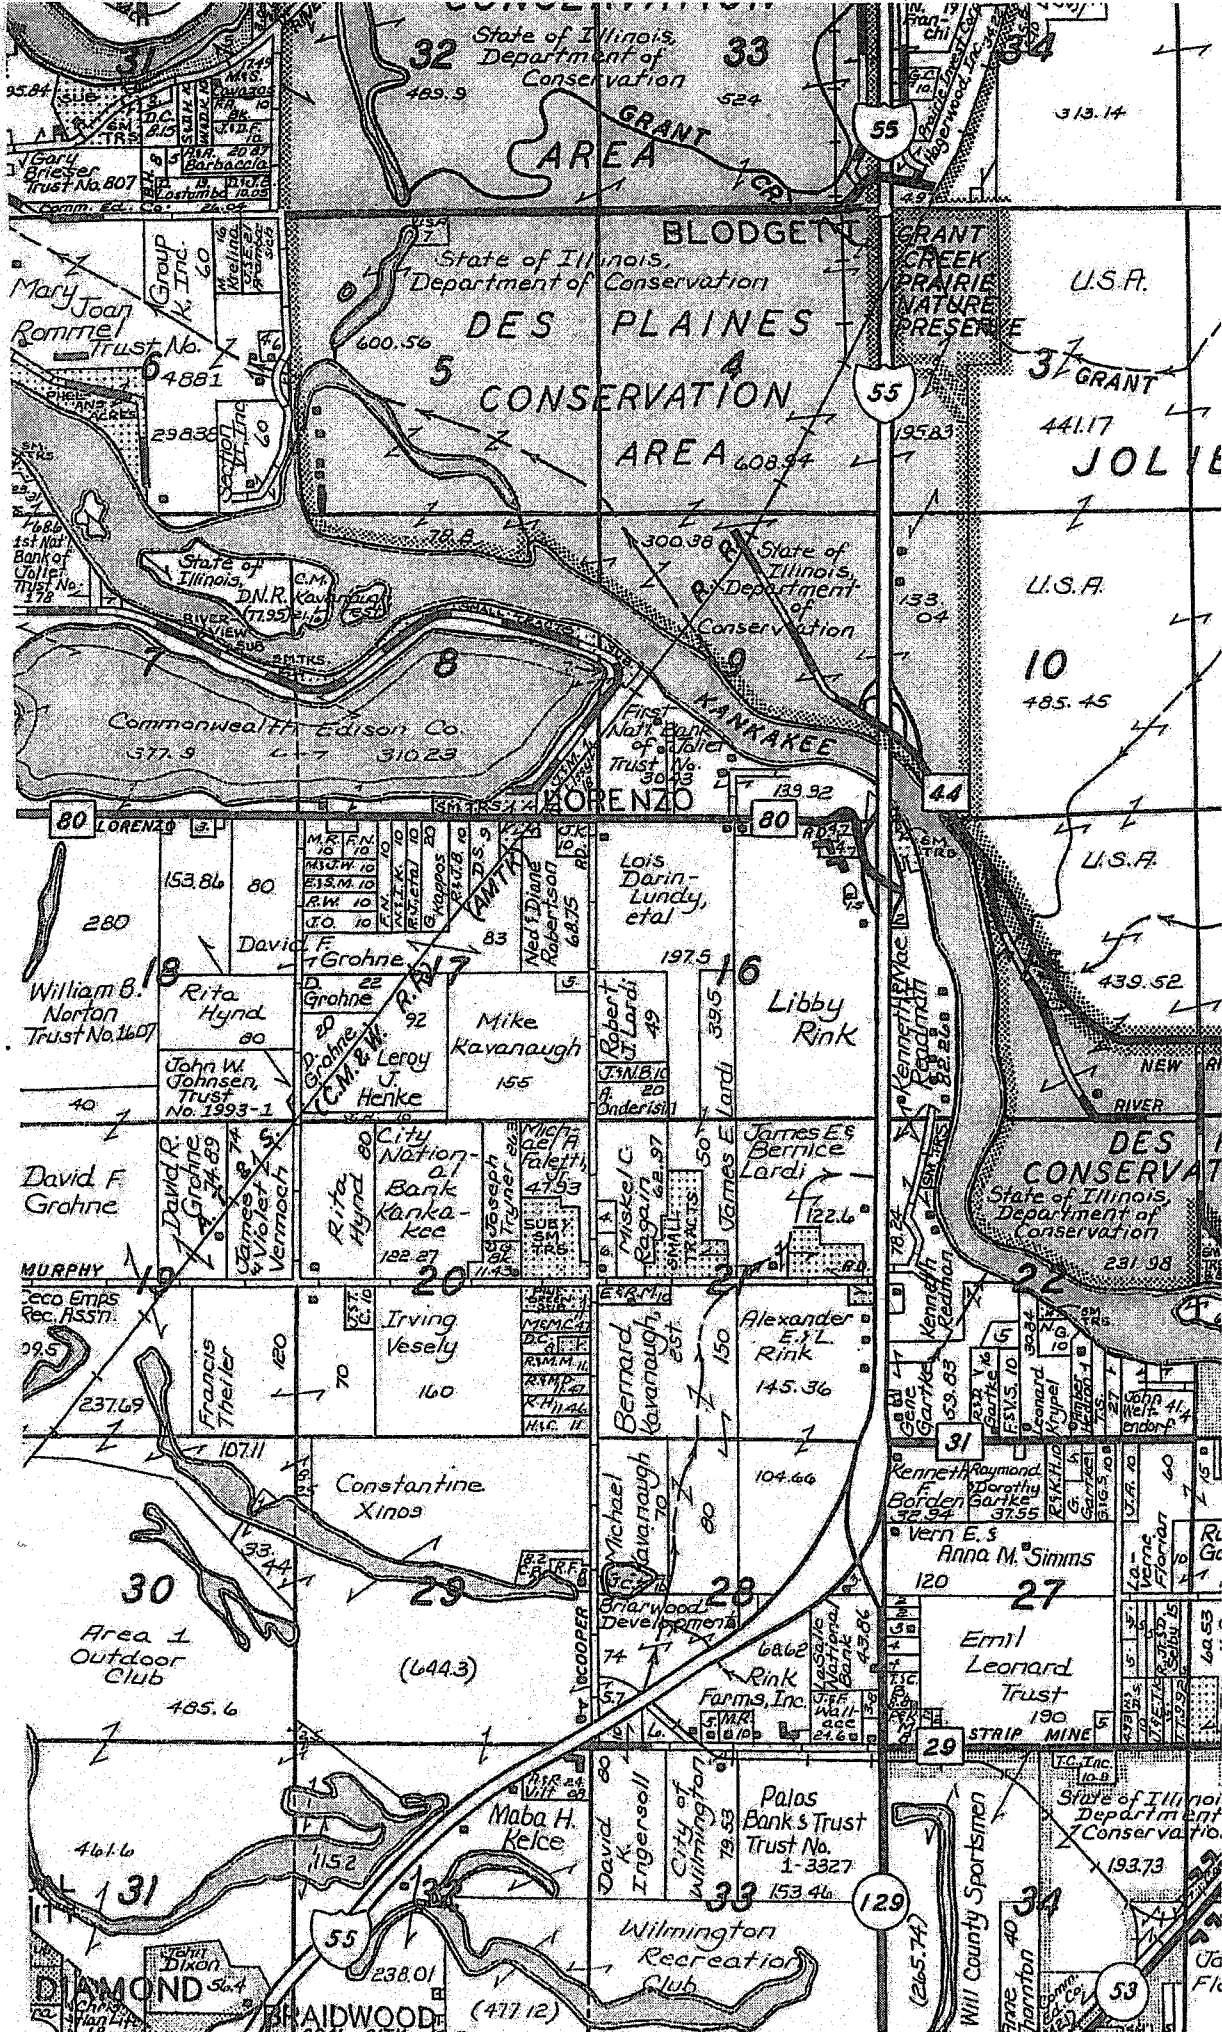

Respectfully Submitted,

**Subject:** FOIA REQUEST

FOIA Representative,

Attached is a FOIA request, requesting available information for a parcel near the Braidwood Nuclear Generating Station in Will County, Illinois. Mostly concerned about past effluent spills containing tritium in the area in connection with the subject property, however would like to know about any other environmental concerns as results from the power plant.

Attached is a FOIA request with a site plan.

If you have any questions regarding this FOIA request, please fee free to contact me.
