

1.4 APPENDIX

1.4.1 RAJ-II General Arrangement Drawings

This section presents the RAJ-II packaging general arrangement drawing consisting of 15 drawings entitled, *RAJ-II SAR Drawing*, see drawing list below. Within the packaging general arrangement drawing, dimensions important to the packaging safety are dimensioned and toleranced. Other dimensions are provided as a reference dimension, and are toleranced in accordance with the JIS (Japan Industrial Std.) B 0405. See 2.1.4.1 and 2.1.4.2.

1.4.1.1 Drawing List

Table 1 - 8 Outer Container Drawings
