February 15, 2006

Subject: Notice of Company Name Change
Reference: NRC Docket No. 71-0804

Dear Mr. Brach:

Please be advised that, effective January 27, 2006, all assets of BNG America, the corporate parent company of BNG Fuel Solutions Corporation (BFS), were transferred to and are now held by BNG America LLC. Furthermore, BNG America LLC is in the process of being acquired by EnergySolutions, a privately held U.S. company. This acquisition is expected to be finalized within the next few weeks.

As of this notification, BFS will continue to perform quality-affecting activities under the NRC-approved BFS Quality Assurance Program (QAP). The QAP will be revised to include the name of the new corporate entity, EnergySolutions. This revision will not affect BFS CoCs or license applications.

Should additional information be required, please contact me at (408) 558-3509.

Sincerely,

Steven E. Sisley
Licensing/Regulatory Compliance Manager
