Subject: Latest Phone call from RI-2003-A-0110 allegor

The allegor called me late yesterday. She would like to meet with me here in person next Tuesday at 1:00 p.m. to provide her comments with regard to the acknowledgment letter. I told her that was OK. She said that she is available that entire afternoon, so, while it wasn't intended to be a visit to also go over her OI transcript, she said that she would be available to do that if Eileen was also available. I told her that I wasn't sure about Eileen's availability that day.
