It seems like a reasonable request (listen in by phone during March 18 PSEG). We'll work on it, though no guarantees now.

Glenn,

Dan Horner of "Inside NRC" called to ask if he could listen in by phone to the Salem/Hope Creek meeting on 3/18. I know we have made provisions to do this in the past and this is a meeting that will probably attract quite a bit of attention. Whether the hotel can support such a hookup is another question. Can you consider whether this would be possible and let me know so I can provide an answer to the reporter?

Thanks,
Neil
