To Whom It May Concern:

Please be advised that Irvington General Hospital will cease operation as of January 31, 2006.

Therefore, we are requesting termination of out radioactive materials license.

All radioactive materials have been removed and properly disposed of. Attached please find the closeout survey for our Nuclear Medicine Department.

If you have any questions or require additional information concerning this matter, please contact Tamara Cunningham at (973) 322-4061.

Sincerely,

Patricia Carroll
