As a reminder, we have our Branch call that day. We just need to keep it under an hour. Shouldn't be a problem.

I have arranged the follow-up discussion with the RI-2003-A-0110 Salem/HC SCWE allegor here in Region I for Wednesday 8/18/04, at 2:00 p.m. Building location to be arranged. I informed her that I will attend along with Randy, Gene, and Scott. I mentioned that others who were involved in the review may also attend all or parts of the discussion.

She knows that Sam will not be here that day, but still wants to meet with him at some other time.
