Summary:	<p>Mr. Fogel called and left a message on my voice-mail. He stated that it would be alright if I dropped by the building anytime from March 13 - 15, 2006, to perform a confirmatory survey prior to releasing part of their facility for unrestricted use.</p> <p>14:30 2/23/2006 I returned Mr. Fogel's phone call. I informed him that I would be unavailable for the week of March 13 because I would be on an inspection trip. I also told Mr. Fogel that his license was of a type that would not need a confirmatory survey. His surveys would be reviewed and if found satisfactory, the area would be released for unrestricted use.</p>	
Action Required:	Await survey results.
